

Anointed!

How is the will of God accomplished on the earth? By the power of the Holy Spirit. Remember Jesus declared in Luke,

"The Spirit of the Lord is upon Me ... because He has anointed Me."

Acts 10:38 describes what happened next,

"How God anointed Jesus of Nazareth with the Holy Ghost and fire and how he went about doing good and healing all those that were oppressed by the devil."

Jesus Christ fulfilled the will of God through the power of the Holy Spirit. The anointing that was on His life caused Him to do something! He was on fire! Today, Jesus wants you and I to share in this same power of the Holy Spirit. In John 16:7 Jesus tells us,

"It is to your advantage that I go away ... I will send Him [the Helper] to you."

The One who anointed Jesus, the One who placed fire within Him, the One who brought help to Jesus is now waiting to bring help to us! It is not automatic. God is looking for the hungry, the surrendered, one with a broken and contrite heart. Human effort and pride get in our way and prevent us from receiving the Grace of God. But the Holy Spirit is still waiting, in God's Grace, waiting for us to receive so that He might release all that is available for us in this hour. God has more than we have capacity to receive. Dare to believe what His Word is saying about you and allow the Holy Spirit to get down deep into your heart. This anointing will change the direction of our hearts.

Organized religion always says, "We've got it together. You can be like us!" But that is contrary to the message of salvation. Our real life is hidden with Christ in God. Jesus paid the ultimate price for your salvation, not for you to join another social club but for you to be transformed by His power and Spirit into a vital, living part of His Body in the earth. What is the Will of God for you? To receive the blessing that He has prepared for you – through Grace! But how does He do this? Through a willing heart ... ready to receive the power of the Holy Spirit! Do you know the condition of your own heart? Why not allow the Holy Spirit to come and take His rightful place? If you will allow Him to, He can set your heart and mind on a course that will result in complete victory! Once we get inside the grace of God the will of God will be accomplished.
