

## Desire of the Heart!

*"May He grant you according to your heart's desire, and fulfill all your purpose." Psalm 20:4*

Deep within every person are desires and purpose placed there by God. Before you came to Christ, before you discovered God's grace and power, before you ever gave your life completely to the Master eternity was lying dormant in your spirit. Something wonderful occurred when you said "yes" to God. This 'eternity' was 'made alive'. Ephesians 2:1 states it this way,

*"And you He made alive who were dead in trespasses and sins, in which you once walked according to the course of this world..."*

Every man will live for eternity, but not every man has eternal life. This eternal life is the life of God. God's quality of life has now been made available to us through the precious sacrifice of our Lord and Savior, the Lord Jesus Christ. His sacrifice has now made God's life available to us. When the life of God hits the eternity locked up inside us a supernatural explosion occurs! New life is formed! New Creation comes into existence! If any man be in Christ, he is a new creature. The old has gone and the new has come. Glory to God! The tragedy of life would be to live for eternity without the life of God, to be separate from the desires and purposes that God has placed within our hearts. But now, because of Jesus, as we receive Him, as we give Him Lordship of our life, the life of God can take over right now, on this side of eternity! He has blessing for you! He has purpose for you! He has desires to fulfill through you! He wants to grant you the desires of your heart and fulfill all your purpose. Most follow the desires of the flesh and not the desires of the heart. And, most are unaware that they have a divine purpose.

As we prepare for this Easter Season, may God make you aware of every desire in your heart. How can He grant something to you if you do not even know what it is? Discover what lies dormant within you! Let Him draw it up and out of you. It is at the very door!
