

Faithful!

The Plan of God has never changed. It has moved forward in every generation and it will continue to move forward in 2015. We must remember that it is impossible to work out God's divine plan apart from Him. This is a hard saying but it is true:

"If we do not do things according to God's plan, they are not done!"

But when we do things according to God's plan, they will always be accomplished, even when it may appear impossible. As a believer, stay close to God's Plan and Pattern in 2015. It is the key to victory in this hour. And what is God's Plan? Colossians 1:18-19:

"And He is the head of the body, the church, who is the beginning, the firstborn from the dead, that in all things He may have the preeminence. For it pleased the Father that in Him all the fullness should dwell."

All the fullness of God, all the fullness of His Plan we find revealed in Jesus Christ! But the Word does not stop there. He is also the Head of the "Body", the Church. These *called-out* ones are God's Plan and Pattern in the earth today. To remain close to Jesus Christ in this hour we must remain close to the Church – this is His Plan! Be a vital part of His Plan this year in every area of your life.

2015 will be a year of harvesting the earth. Sin will grow exceedingly, but grace will grow ever greater. The Word of God is being fulfilled before our very eyes. Therefore, do not neglect what God has placed within you. It is of extreme importance! Do not reject God's plan and God's people. Do not ignore the Gift of God that is already within you. This is not the time to separate; this is the time to be engaged! Be alert and receptive. Do not abort the legacy and operations ordained by the Spirit of God for your life. Now is the time to receive! Trust God that He will bring to pass what He has declared over your life. As you abide in Him, and He abides in you, this gift sown in your heart will come alive in new and vital ways. Just be faithful to the gifts and callings within you and the Spirit of God will do the rest. Do not be afraid!
