

Finally Forgiven

When we see Jesus we cannot ignore what He has done for us. His resurrection creates new possibilities for us. Can we believe it is true? Can you see the exchange He has made for your life? When you finally see it, you have the capacity to forgive yourself. When you forgive yourself, genuine forgiveness will be released from you for others. Forgiving others will produce pain within us, because there is a price that must be paid. But forgiveness also produces joy! Forgiveness opens the door to Fellowship—that which every man is longing for! True fellowship can come no other way.

When you forgive, nothing will ever be the same. Hurt can no longer hold you. Pain can no longer prevent you. Self can no longer stop you. A new Dream enters your heart. And this dream will drive you into a new destiny. You are feeling things that you have never felt before. You are dreaming for the impossible! Where do you think the dream came from? It is God at work **in** you. Philippians 2:13 declares,

“For God is working in you, giving you the desire and the power to do what pleases Him.” NLT

Right now, God is "working" in you. He never stops! His *energeo*, His working is creating emotions and dreams in your hearts. Since you have received Christ, forgiven yourself, and are forgiving others in your life, nothing will ever be the same! He gives you the "desire". He is the one placing the impossible dream in your heart. He also gives you the "power", the working power which causes the dream to come to pass. He is the answer to every dream! And He will provide a "way of escape," or, the working power to activate such dreams. How is this possible? Because of Forgiveness. It is the Master Key! Fellowship in Christ Jesus is opened to us because of it. Heaven opens and His "well pleasing" is poured out on you. Your heart's desire is now free to come to pass. You are Finally Forgiven!
