

He Will Strengthen You!

The things that happen to us do not create strength within us. Most of the time they deplete us. But God has a better way! We have been given the capability to draw strength from God Himself. You never need to worry, God shall supply! He is the Initiator, He is the One who has made a way for you. He is the One that is providing every blessing. This *supply* comes to you out of the mystery of Christ. Remember Paul states in Philippians 4:13:

"I can do all things through Christ which strengthens me."

God strengthens you right in the midst of adverse circumstances. When things aren't going the way you want them to, what are you going to do? Give up? Get mad and blame God? No, Paul is saying that strength comes *out of* the power of the Holy Spirit which Jesus has provided to us. That is what this term, *Christ*, is referring to! His strength will cause us to make it through all of the adverse and difficult circumstances of life! And His strength has nothing to do with what you may be going through. It comes out of a completely different realm. How do we access this supernatural strength? Through the spirit and not through the flesh. God supplies to you through this Anointing which was purchased for you in Jesus Christ. It is this realm of heaven, this realm of anointing, this realm of faith that God uses to bring His supply to us. And it comes to us in the form of a seed. Take the seed and sow it. When the seed is sown, its power is released!

My friends, there is no lack of provision for you. God has and will continue to strengthen and bless you no matter what the outward may look like. Just begin today, God will supply for you as well. Once you have experienced Him and have begun drawing from His source of strength, then, you can apply verse 19 to your life:

"And my God shall supply all your need according to His riches in glory by Christ Jesus."

Your supply is waiting for you in Christ Jesus! But what opens this supply to you? Giving in every area of your life! Living to give! Your identity changes and the image of Christ will be stamped upon you as well. As it is written, "for God so loved that He gave" in like manner, our heart is changed. And you will begin to say, "For I love so much I also must give!" Once you have tasted God's supernatural supply, what else is there? We won't settle for any substitute! God's supply is the only thing that truly satisfies and it is released to us through giving.
