

Hunger and Thirst!

In this natural world, hunger and thirst come when your body is depleted in some area. When that happens, you will find a way to satisfy your appetite. You will drive twenty miles just to quench your thirst! Jesus declared in Matthew 5:6,

“Blessed are those who hunger and thirst for righteousness, for they shall be filled.”

Have that same intensity in your heart...**hunger and thirst for His righteousness!** If it is a casual hunger, you will never be filled. But when this hunger grips you, when nothing else removes the thirst, Jesus promised, you shall be filled! But there is a problem.

How can we hunger and thirst for something if we have never tasted it before? If you have never tasted His righteousness, how will you ever know if you *want* to taste it? If you have not tasted His righteousness, you need to ask the Lord for that today. Don't put it off! Taste and see that the Lord is good!

These words for '*hunger*' and '*thirst*' are in the past, present and future tense, all at the same time; 'I am hungry and thirsty now, I was hungry and thirsty yesterday and I will be hungry and thirsty tomorrow.' It is a continual, pressing, active hunger and thirst for Him! Are you hungry for God right now? Are you thirsty for Him right now? If you are, you will be filled! You will be satisfied. You cannot hang out with the Blessor and not be blessed. It is a part of His very being!

The meek are the ones who do exploits. They have surrendered their will under God's will. Nothing shall prevent them; for they shall inherit the earth. And the more exploits they do causes them to hunger and thirst for even more of God, longing to see more of His righteousness released! Is that you today? Let the hunger games begin!
