

Increase!

*"According to the eternal purpose which He accomplished in
Christ Jesus our Lord."*

Ephesians 3:11

Today, God is inviting us to share in His victory. God's eternal purpose was accomplished in Christ Jesus! When He rose from the grave the Power of God was set in motion to change your future. The power of sin has been broken over your life! Now you have been given purpose and a living hope! You will find your purpose in God's purpose.

Remember, God has given us the law of sowing and reaping to live by. Now, because of Jesus, we can sow seeds of life, victory, abundance, celebration, and purpose. Every seed that you will sow will be activated and will produce. You have set a new future in motion! The Word of God is now working in your heart and it is all part of a greater purpose and a greater vision. Your purpose is secure because it has already been accomplished in Christ. Your vision is secure because it also has already been accomplished in Christ! You are a vital part of God's eternal purpose.

So, now is not the time to relax. Now is not the time to turn away. Not at all! But this is the time to be bold! This is the time to hold onto your confidence and watch God work. This is the time to hear and listen to the Word as never before. This is the time to be filled God's fullness! This is the time to be strengthened. This is the time to put down roots! This is the time to let faith grow within. This is the time to allow God to confirm His Word! This is the time to remove every ounce of unbelief and lift up every sail within your heart and allow the Spirit of God to blow upon your life!

The closer you grow to Jesus, the closer your vision comes to you! The more His Word grows in you, the faster that vision within will grow! So this is not the time to change; this is the time to continue in grace! The key word for the vision within is: INCREASE. Increase your prayer! Increase your worship! Increase your serving! Increase your giving! Increase your loving! Increase your caring! And the God of all increase will surround you, protect you, provide for you, and lead you into your vision.
