

Laws of Life

We must create healthy “fences” that breathe and “gates” that can open and close properly in our souls before we can take back control of our lives. It is of absolute necessity. Is this easy to do? Well, it might be simple. But I am **certain** that it is a scary thing to do! It will challenge you to the very core. But you are not alone. Remember, you were created in God's image. He is not asking us to do anything more than what He does Himself. He has fences and He has gates also! And there is a proper way to have access into His heart and life. How many want the life of God? I certainly do! And the scripture tells us this secret. Jesus declared in John 10:7,

"Most assuredly, I say to you, I am the door of the sheep. All who ever came before Me are thieves and robbers, but the sheep did not hear them. I am the door. If anyone enters by Me, he will be saved, and will go in and out and find pasture."

So in this wonderful Thanksgiving season look unto Jesus as the Role model. Let Him show you how to establish healthy fences and gates in your heart and soul. He wants you to prosper in life! And He will reveal His secrets to you. If Jesus has doors in His soul, you also have doors. But beyond that, let Him become the 'door' into life for you! Jesus went on to say in verse 10,

"The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life and that they may have it more abundantly."

There's one thing that only Jesus Christ provides which places Him in a category all of His own, and that is 'life'. Satan cannot provide life; He comes only to steal, to kill, and to destroy. Today we are going to look at the laws of 'life' that exist in the soul – how the soul was designed to function. These are not limiting things, they are freeing things. When you know how the soul operates it will set you on the course to complete freedom and blessing. This "life" was taken away from Adam at the beginning but now, through Jesus Christ, it is available to every man. To obtain life and have it more abundantly, open your gate and come through His gate! It is found nowhere else. Come to Jesus; He is the Door!
