

Let's Go To Work!

Everyone works at something! Everyone has something at work within them. What is working on the inside of you? Does it bring life? Or, does it bring condemnation? What are you working at? Just remember, God's work is better than your work. Jesus said, "*I have come that you might have life and have it more abundantly!*" Is life working on the inside of you? His life is available to you right now, right where you are.

*Blessed are the people who know the joyful sound!
They walk, O Lord, in the light of Your countenance.
In Your name they rejoice all day long,
And in Your righteousness they are exalted.
For You are the glory of their strength.*

Psalm 89:15-17

God desires to establish your life, to set it solid, unshakeable! He is the One who will do it. Look at Psalm 18:32,

"It is God who arms me with strength and makes my way perfect."

What a promise! We do not have to labor to establish our own life. Through our Lord Jesus Christ we have access into His strength. We do not have to struggle in our own faults and failures and try to "improve" our Christianity. No, God has provided a much better way. Not only do we have access into His strength, but also, He is the One who makes our way perfect, or, complete. He has done it for you! This is what Jesus' blood purchased for you. Let faith rise within you, not based upon what you have done, but upon the finished work which Jesus has completed! He is our life!

Because life is living, there will be an evidence of its presence within you! You can't hide the life of God! Are you finding yourself overrun with excessive amounts of joy and peace? Is patience and self-control overtaking everything you do? Well, these type of "abnormal" symptoms begin to grow and take over, even in the darkest of circumstances, when the true life of God is resident within the human heart. You don't have to "work" at it. No, God arms you with His strength without your assistance! How does He do it? Just let Him fill you all of the time. Feast on the Holy Spirit instead of the flesh! Gorge yourself with more God instead of Baskin-Robbins and the fruit will just be there. Rejoice!
