

No Limit!

"For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Greek. For in it the righteousness of God is revealed from faith to faith; as it is written, "The just shall live by faith."

Romans 1:16-17

God has poured out, and is pouring out, and will continue to pour out His Holy Spirit upon us to the degree that our heart is unveiled before Him! The early church was impacted by the fullness of the Spirit in Acts chapter 2, just as Jesus promised. But the same individuals received the fullness of the Spirit a second time in Acts chapter 4! What does this tell us? God's presence in our lives is not something that we can control or manage on our own. Not so! We need Him all the time! Our relationship with Jesus cannot be reduced to a creed or to one experience. It is an ever-growing relationship.

And the gospel is revealed from faith to faith. That means only one thing ... your faith is growing! The faith that you walked in yesterday has brought you to the place you are today. But we need *present* faith to launch us into our tomorrows. How does faith grow? Faith grows by *receiving!*

There is a destiny waiting for you as you dare believe the Word of God that is being spoken over your life. But this destiny won't be found in all of those things which have become familiar to you. Your destiny won't be found where life has become comfortable! Your true identity is waiting for you in the unfamiliar--things that you have never experienced before, places that you have never been before! God calls each of us from faith to faith. Abraham, Moses, David and Gideon, Daniel, Peter, Paul and Timothy! They all had to leave the old and be led by God into the new! It was in the unfamiliar that their true purposes were exposed. The faith within you is driving you outside of what is comfortable for you. Faith is leading you into faith! And faith grows by receiving, or saying "Yes!" to the Spirit of God. In the spirit, as you walk in the spirit rather than the flesh, no limitation prevents you from moving forward. Faith is not affected by our limitations. We are on a wonderful journey into the Presence of God!
