

Pure Hearts!

What we see around us will reveal the condition of our heart. How we view the things that happen to us on a daily basis exposes the true condition of our heart. Jesus put it this way in Matthew 5:8,

"Blessed are the pure in heart for they shall see God."

Jesus was not referring to a person who will see the Lord after they die, not at all! Yes, that day is coming. But Jesus was boldly declaring that our eyes can be opened to see God and His Kingdom right now!

There is one thing that places a veil over our faces so that we cannot see clearly. There is one thing that causes our eyes to be blinded so that we cannot see. That one thing is the purity of our hearts. When sin entered into this world, our hearts became hardened. The Bible declares all have sinned and fallen short of the glory of God. Because of this, most people think, "I guess it's too late for me!" They have given up. Jesus did not make this statement to condemn people, but to give people hope. There is now a free gift available to each and every man. This free gift is what qualifies you for inheritance (Colossians 1:12).

As we step into our inheritance, as we step into Christ Jesus and what He has done for us, new possibilities open up before us! What was once impossible in our thinking now becomes normal! Your heart, yes, even your heart, now can be made pure, not by what you have done, but by the precious Blood of Christ! And when your heart is pure, you will begin to see things you have never seen before! Titus 1:15 says,

"To the pure all things are pure!"

The more you abide in God's presence, the longer you commune with Him in prayer, something supernatural is going on inside of you. Most of the time you will be completely unaware of it, but your heart is changing! Your want to's are changing. Instead of wanting to sin, you are wanting to stop sinning! What has happened? Your eyes are opening because your heart is being made pure. Go ahead; give Him all of your heart!
