

Thanksgiving Promise!

"For the Son of God, Jesus Christ ... was not Yes and No, but in Him was Yes."

2 Corinthians 1:19 NKJV

Jesus does not change His mind! He won't tell you "Yes" one day and then tell you "No" the next. God isn't like that! God is absolute! God absolutely loves you! God absolutely came to stand in your place of sin. God absolutely can change your life for the better! Jesus is absolutely, the only way, the only truth and the only life! He is not an option to consider! People change their mind all of the time – **yes** on one day might turn into **no** on the next! But Jesus isn't like that at all! Jesus doesn't waver. He isn't wishy washy! He never changes His mind. He said, "Yes! I will do it! Yes! I will go! Yes, I AM that I AM!" And the Word became flesh and dwelt among us ... full of grace and truth!

*"For all the promises of God in Him are **Yes**, and in Him Amen, to the glory of God through us."*

2Corinthians 1:20 NKJV

Every promise that God has made for you, what is the answer? The answer is always YES! And where will you find that answer? In HIM! And how will that answer be seen? Through us! YES! ... in HIM! ... through US! God's ways are not man's ways! God's heart is not like man's heart. He doesn't even think the same way we do. Now, with the help of the Holy Spirit, we can think God thoughts! It's ok to pray. It's ok to believe. It's ok to dream! No matter how big, how lofty your ideas may be ... God has more than that for your life, hidden for you, in Christ Jesus! And the answer is YES! Not might be, not will be ... when God speaks, it IS period! He is the I AM ... God's answer for you will always be YES! For the YES to come ... our heart must be prepared. For the answer to come, the conditions need to be made right. Once the heart is in the right place, then God's answer will come! To help us prepare our heart to receive God's answer, He sends the Holy Spirit to help us – to lead us, to correct us, to convince us, and to convict us! The convicting power of the Holy Spirit prepares you for His blessing! This Thanksgiving Day, let God fill you with every promise that was purchased for you by Jesus Christ.
