

Thanksgiving Unveiled!

Ephesians 3:11--"*According to the eternal purpose which He accomplished in Christ Jesus our Lord.*"

With God there comes purpose and vision. Your future has been set in motion! The Word of God is working in your hearts! It is all part of a greater purpose and a greater vision. God's purpose and vision has been accomplished in Christ Jesus! And those dreams within you? They also will find their source in Christ! Your purpose is also His purpose; your vision is also His vision! And He will co-labor with you if you ask for His help! He has already prepared a place for you in Christ! Consequently, your purpose is secure. Your vision is secure! You are a vital part of God's eternal purpose. o, now is not the time to turn away. Not at all! But this is the time to hold onto your confidence and watch God work. This is the time to hear and listen to the Word as never before. This is the time to be filled with all the fullness of God! This is the time to be strengthened. This is the time to put down roots! This is the time to let His faith grow within you. This is the time to grab hold of every promise of God and look only to Jesus. Radical transformation is in store for you. Let God confirm His Word to you. He will!

This is the time to remove every ounce of unbelief and lift up every sail within your heart and allow the Spirit of God to blow upon your life! The closer you grow to Jesus, the closer your vision comes to you! The more His Word grows in you, the faster that vision within will grow! So this is not the time to change. This is the time to continue in grace! This year will be a year of great pressure in the world. But this also will be a year of great grace as you walk with God. The key word for the vision within is: UNVEIL. Unveil your heart. Unveil your prayer. Unveil your giving. Unveil your worship. Unveil your serving. Unveil your loving. So, this Thanksgiving Sunday be **unveiled!** And the God of all increase will surround you, protect you, provide for you, and lead you into your vision. Vision will be realized.
