

Unveiled Vision!

Ephesians 3:11, "*According to the eternal purpose which He accomplished in Christ Jesus our Lord.*"

The purpose God has for your life has already been accomplished in Jesus Christ! And when you personally receive the fullness of His Holy Spirit, your future has been set in motion! The Word of God begins working in your heart under the power of the Holy Spirit and nothing will ever be the same! We then become part of a greater purpose and a greater vision. God's purpose and vision has already been accomplished in Christ Jesus! And that includes those dreams within you. They also find their fulfillment in Christ! Your purpose is a part of His purpose; your vision is a part of His vision! And He will co-labor with you if you ask for His help! He has already prepared a place for you in Christ!

Remember, Christ is not Jesus' last name, but refers to the Anointing of the Holy Spirit which rested upon Him! That same Spirit now dwells within the believer to lead and to guide! Consequently, your purpose is secure. Your vision is secure! You are a vital part of God's eternal purpose. So, now is not the time to turn away. Not at all! But this is the time to hold onto your confidence and watch God work. This is the time to hear and listen to the Word as never before. This is the time to be filled with all the fullness of His Holy Spirit! This is the time to be strengthened. This is the time to put down roots! This is the time to let His faith grow within you. This is the time to hold onto every promise of God, looking only to Jesus. This is the time to remove every ounce of unbelief and lift up every sail within your heart and allow the Spirit of God to blow upon your life! Radical transformation is in store for you. Let God confirm His Word to you. He will do it!

The more closely connected you become to His Holy Spirit, the closer your vision comes to you! The more His Word grows within you, the faster that vision within will grow! So this is not the time to change. This is the time to continue in grace! This year will be a year of great pressure in the world. But this also will be a year of great grace as you walk with God. The key word for the vision within is: UNVEIL. Unveil your heart. Unveil your prayer. Unveil your giving. Unveil your worship. Unveil your serving. Unveil your loving. So, this Thanksgiving Sunday be Unveiled! And the God of all increase will surround you, protect you, provide for you, and lead you. Vision will become clear.
